Chapter 3- RULES AND REGULATIONS

3.1 General: The 49er Classic Drill Competition is a professional military event and JROTC units will be expected to conduct themselves in a professional military manner. This includes keeping within the COVID-19 restrictions nationally as well as locally.

3.2 Drill sequences will be based on Air Force drilling regulations (AFMAN 36-2203, Drill and Ceremonies, dated 19 June 2018). The drill sequences are provided in Appendix A-L of this document. The provided sequences are movements only. The proper command is not included. This will ensure cadets know the movements and will allow other branches of JROTC to participate in the events without being restricted to Air Force commands. Memorization of each sequence is required to participate in the events; points will be deducted for reading from a sequence sheet.

3.2.1 Units will be on schedule for their respective drill time.

3.2.2 Units will not be allowed to restart their sequence.

3.2.3 Appearance will be of the utmost importance. Cadets will wear their uniform properly and respectfully. Points will be deducted from the overall score for improper dress and appearance. Dress and Appearance will be consistently enforced throughout the event IAW DAFI 36-2903, Dress and Personal Appearance of United States Air Force and United States Space Force Personnel, dated 07 Feb 2020 or service equivalent.

Females will have hair styled in a manner that prevents loose ends from extending upwards while pinned-up, in a bun, in a ponytail equivalent, or in a braid equivalent. Females will not wear excessive or inappropriate jewelry. Fingernails will only be painted colors that are within the regulations (i.e. light pink or natural pink).

3.2.3.2 Male Grooming Standards: Males will be clean shaven and have their hair cut to the appropriate length according to DAFI 36-2903, Dress and
Personal Appearance of United States Air Force and United States Space Force Personnel, dated 07 Feb 2020, or equivalent standards.

3.3 Each school will be required to follow the schedule, which breaks each sequence down into 10-minute time slots.

3.3.3 There will be no staging area during this drill competition. Sequences should start centered on the head judge. This is where the sequence commander will report in.

3.3.4 Once the sequence has concluded, the sequence commander will report out directly in front of the head judge.

Chapter 4- DRILL PAD PROCEDURES
